

WHY CHOOSE US?

Our ability to take on urgent & complex freight requirements that most logistic professionals would shy away from and a robust can do attitude.

Along with a robust 'can do' attitude, we have:

**Specialised
and General
Logistics**

**Cranes and
Crane Trucks**

**Complex
Logistics
Movements**

**Regional
Transport
Network**

**Onsite Project
Management**

**Hot Shot
Express
Transport**

**Interstate
Transport
Network**

**Logistics and
Consulting**

**Port to
Destination
Transportation**

National Footprint

The Freight Collective provides an Australia wide footprint with service coverage to all regional and inner-city locations. We embrace challenges and will find a solution to ensure that your transport requirements are met even in the most remote locations.

Streamlined Solutions

We provide coverage across all aspects of logistics and will take the stress off your hands when it comes to freight requirements involving multiple multi-disciplinary freight networks.
